Diagnostic Coverage

1. 9770 works on most after 1996 OBDII compliant US, European and Asian vehicles.

2. Support Benz car brands:

A. Mercedes Benz, include Maybach (1972~2021).

B. Sprinter, Commercial vehicle series.
(Note: 38pin connector is not supported.)

C. Smart.

Note: Support most petrol vehicles, diesel vehicles, hybrid vehicles and pure electric vehicles.

Selling Points

Two vehicle identification methods

Note: Sprinter and Smart are not supported with automatic identification.
